All our Bachelor's students study **abroad for at least one semester**. Student exchange agreements and research cooperations exist with **more than 100 universities** worldwide, and cross-border study and research is commonplace.

## Degree programmes

14

Bachelor's degrees

42

Master's degrees

16

Vocational trainings

4

Doctoral schools

## Number of students and nationalities

**6,423**  
Students

**3,000**  
Bachelor

**1,651**  
Master

**821**  
PhD

**951**  
Others

**3,513**  
International students

**44%**  
Luxembourgish

**42%**  
EU28

**14%**  
Non-EU28

**125**  
Nationalities

## Enrolment fee\*

\*General tuition fee for the majority of programmes. No additional tuition fees for foreign students. \*400 € in semesters 1 and 2, and 200 € for all other semesters. Fees for specific programmes (Master in Logistics and Supply Chain Management, Interdisciplinary Space Master...) may vary.

**400 €**  
in semesters 1 and 2

**200 €**  
for all other semesters

## Staff

Total internal staff  
**1,960**

including  
**270**  
Full professors, associate professors,  
assistant professors, senior lecturers

including approx.  
**530**  
PhDs with work  
contract

supported by  
**950**  
external experts

## Central research priorities

Materials science

Computer science  
and ICT security

European and  
international law

Finance and  
financial innovation

Education

Digital and  
contemporary  
history

Cross-disciplinary themes:

Health and systems  
biomedicine

Data modelling  
and simulation
