EU	The common <b>Cultures Européennes (EU)</b> section of your degree programme is subdivided into thematic modules addressing different aspects of European culture. Which modules you choose depends on your preferences, but to complete your studies and qualify for graduation, you will need to validate 5 modules altogether (1-2 modules can be predefined by the study programme). Each of these modules will be validated once you have accumulated 12 ECTS in this module. Please note that some courses require more work and are therefore awarded more ECTS (i.e. 6 or 8 ECTS). The combination you choose will affect the number of courses you are required to pass in order to validate your modules. Up to 12 ECTS (equivalent to 1 EU Module) can be validated using Mobility credits.	EU
ES	<b>English Studies Specialisation</b> courses are awarded 4 ECTS (Foundation and Core courses) or 5 ECTS (Elective courses). The <b>Foundation</b> (Modules I-V) and <b>Core Modules</b> (Modules VI-VIII) are compulsory and must be completed in full. <b>Three Core</b> courses can be validated using credits obtained during your semester abroad and you must complete the <b>Elective Module</b> (Module IX) to graduate. Please refer to your ECTS Checklist for further detail and make sure you fully validate the modules you choose.	ES
