Lëtzebuerger Sprooch a Literatur op der Uni.lu studéieren? Firwat net!

D'Entwécklung an d'Presenz vun der Sprooch am öffentleche Raum, d'Dynamik an d'Professionaliséierung vun der Lëtzebuerger Literatur a Kultur stellen, méi wéi jee, e stimuléierende Fuerschungs-, Unterrichts- a Vermëttlungsobjekt duer. Dësen ass net nëmme faszinant ze beobachten, mee verlaangt och dono, unhand vun aktuellen an internationale Fuerschungsfroer beschriwwen an erfaasst ze ginn. Duerch d'Ureegung zur kritescher Reflexioun, analyteschem Geescht a projektbezunnenem Léieren ass eise Programm grad drop ausgeriicht, sech aktiv un dëse Prozesser ze bedeelegen. Doriwwer eraus encouragéiere mir eis Studenten/innen zur eegestänneger Fuerschung wärend hirem Studium, dee mat enger Bachelorthees ofgeschloss gétt.

The *Bachelor en Cultures Européennes – Luxembourgish Linguistics and Literature* provides a unique opportunity to combine traditional, innovative, pioneering training in Luxembourgish Linguistics and Literature with an interdisciplinary reflection on Europe and European cultures.

Two thirds of your courses and modules will be dedicated to your **specialisation (120/180 ECTS)**. The **Common Curriculum in European Cultures** makes up one third of the credits required to graduate (**60/180 ECTS**). It is co-organised by the six specialisation tracks of the *Bachelor en Cultures Européennes* and engages both students and staff in an **interdisciplinary reflection** about European cultures, their political and intellectual achievements as well as their shortcomings, and the role of modern Europe in the world today. You will also have the option to develop a **second disciplinary focus or specialisation** in History, Philosophy, French, Luxembourgish or German Studies as part of your common curriculum.

After you graduate

As a graduate of the *Bachelor en Cultures Européennes – Luxembourgish Linguistics and Literature*, you will have the fundamental skills and knowledge required of a **linguistic and literary scholar**; on the other hand, your focus on European cultures and on creating links between your specialisation and other fields will equip you with an array of **didactic and transferable skills**, such as **multilingual competences**, effective communication, **critical and independent thinking**, and a flexible and nuanced approach to both problems and projects.
