The Grand Duchy of Luxembourg

The Grand Duchy of Luxembourg is a small country in Western Europe bordered by Belgium, France and Germany. Luxembourg is a representative democracy in the form of a constitutional monarchy, with Grand Duke Henri the current head of state. The country is the only sovereign grand duchy in the world.

Around 47% of the country's 614,000 inhabitants are non-nationals, with people from more than 170 countries. Luxembourg covers an area of 2,586 square kilometres (998 square miles). It is a founding member of NATO and the European Union, home to numerous European institutions and a leading international financial centre as well as a strong, open and innovative economy.

Luxembourg is a trilingual country, with Luxembourgish, French and German as official languages. Most people also speak English but many more languages are routinely spoken in this cultural melting-pot.

THINGS TO DO

Luxembourg is a small country with a big multicultural flair where you can meet people from all four corners of the earth. There is a vibrant nightlife in the bars of Hollerich, Grund and Clausen in Luxembourg City, or the Rockhal in Esch-sur-Alzette. From pop, rock and jazz concerts, theatre and dance performances to exhibitions at the MUDAM museum of modern art and classical music at the Philharmonie – you can't get bored!

All this is set against the rich historic backdrop of Luxembourg City, a UNESCO World Heritage Site, the country's castles in the lush green landscapes of the north and its vineyards along the Moselle river in the south. Easy air and rail connections make Luxembourg a perfect travel hub for students eager to see more of Europe.

Make Luxembourg your destination and discover a hidden gem in the heart of Europe!

The University of Luxembourg

MULTILINGUAL. PERSONALISED. CONNECTED.

Founded in 2003, the University of Luxembourg is the only public university of the Grand Duchy of Luxembourg. It is a multicultural and modern European research university with a personal atmosphere, close to the European institutions and innovative companies based in Luxembourg as well as the country's international financial centre.

With an emphasis on interdisciplinary research, the University of Luxembourg strives for international excellence as well as regional relevance in its approach to key areas in research including European and international law, finance and financial innovation, computer science and ICT, data modelling and simulation, materials science, health and systems biomedicine, education, and digital and contemporary history.
